Dear Valued and Appreciated Customer!

As always, we will continue to adapt to keep ahead of our industry to better serve you and your credit card processing needs.

Thank you for your patronage and loyalty. We appreciate you and your business!

PCI Compliance

Every merchant, no matter how large or small, must be PCI Compliant. How do you become PCI Compliant?

The first step is to complete your ANNUAL PCI SAQ via online from ControlScan (ASV). You should be receiving e-mails from ControlScan letting you know that you need to log on and complete your PCI Compliance.

If you have not received this e-mail, or want to check on your PCI Compliant status contact us today and we'll help get you on your way to being PCI Compliant!

We recommend...DenMark Business Solutions

Source: Denmark Business Solutions & schmooze inc.

We at schmooze inc. would like to introduce you to one of our valued preferred partners, DenMark Business Solutions, Inc. Our experiences with DenMark have been very positive and have helped save us significant dollars on our telecom costs.

DenMark Business Solutions, Inc is a telecommunications consulting company that specializes in providing customer service in the telephony industry. DenMark becomes a single point of contact for all your requirements. This means if you have needs for local services, long distance, data/internet, VOIP, cellular (including acces-

sories), telephone equipment, cabling, or perhaps conference calling; they can provide a solution to you. The best part is that since DenMark is the Broker for ALL Telecom services, they provide continued customer service at no charge to you.

Some of their clients, including schmooze are: Bellomo & Associates, Batteries Plus, Buccaneer Data Services, Farmers First, Thornton Chevrolet, and York County SPCA to name a few. DenMark has been in business for 10 years in Central PA with staff having a combined 50 years of telecommunication experience.

Contact them today to set up an appointment to meet with you to discuss how DenMark can help you with your telecom issues & cost savings.
